General Comment

I am an author and dabble in art...the last thing I want is the unauthorized, unattributed, and uncompensated scraping or use of my work to train/embolden ai. I do not want my work used by ai in any capacity and am frankly disgusted that my own government would scrape user data in such a way. Pay for content if you want to use it and DO NOT ALLOW HALLUCINATING TRASH PROGRAMS TO MAKE ANY DECISIONS REGARDING THE ADMINISTRATION OF ANY GOVERNMENT SECTOR.
