Document: NSF_FRDOC_0001-DRAFT-5672
Comment on FR Doc # 2025-02305

Submitter Information

Name: Rebecca Thanum
Address: United States,

General Comment

It is unacceptable to give ai free reign to steal from mine and other individuals works/livelihoods. As AI feeds off existing works, usually without consent to the works it's feeding off if nor without compensation. This would allow others to profit off the works of small business barely getting by.
