Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5695
Comment on FR Doc # 2025-02305

Submitter Information

Name: Michael Jones

General Comment

Generative AI, in its current form, is a technology built and fundamentally reliant on theft. There is no path to legitimacy for a machine trained on the uncompensated product of human creativity. Any plan to further develop AI tools must center the people whose work forms the foundation of this technology.
