Document: NSF_FRDOC_0001-DRAFT-5731
Comment on FR Doc # 2025-02305

Submitter Information

Name: Elisabeth Bayer

[REDACTED]

General Comment

AI as it is currently being developed steals copyrighted property from Americans and regurgitates it. It uses massive amounts of power and water to create output that is inferior to what humans can create. It does not make anything useful and destroys livelihoods and jobs.

If AI developers cannot create a profitable business model without stealing from Americans, they need to find another business.
