General Comment

Please do not allow AI of any kind to freely steal copyrighted work. There are hundreds of thousands of artists, voice actors, artworks, songs etc. that won't have a fighting chance if it's allowed. Some may even stop using their talents just to escape it. Also, think about the security concerns, how a video, an image, or even a sound clip could be made of someone that could ruin their lives using AI. Please, vote against allowing AI to use/steal copyrighted works or anything else. Thank you.
