Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5863

Comment on FR Doc # 2025-02305

Submitter Information

Name: F F

General Comment

This is a horrible idea. It's an existential threat to the livelihoods of artists and creatives everywhere, not to mention that AI has been proven time and time again to produce incorrect, biased, and hallucinatory data. Plus, it's social suicide - using AI generated assets just makes a person or organization look like a cheap loser. Do not give these companies any more power!
