Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-5956
Comment on FR Doc # 2025-02305

Submitter Information

Name: Charles H
Email: [REDACTED]

General Comment

I believe that AI is not the future of the United States. We as a people need to think for ourselves and our elected officials need to do the same. Furthermore AI is a threat to the livelihood of writers and artists alike. Using their work to train AI models is outright thievery. AI is over-hyped; it is not the be all end all to the problems that we face. Strike this down!
