Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6121

Comment on FR Doc # 2025-02305

Submitter Information

Name: Dev C

General Comment

Artificial intelligence should be carefully regulated. Real human beings who are subject matter experts should be preferred to artificial intelligence in all matters of government, especially involving financial or security aspects. Artificial intelligence should not be less restricted than in previous years. Please prioritize real human beings.
