Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6175

Comment on FR Doc # 2025-02305

Submitter Information

Name: Brian Collins

General Comment

This is a terrible idea in every way imaginable. This will not help anyone. This will not protect anyone. This will completely destroy the livelihoods of every American who uses the internet. The only groups who would benefit are thieves and con artists who just want to steal other people's work. An America that embraces AI is not an America with any kind of future.
