Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6207

Comment on FR Doc # 2025-02305

Submitter Information

Name: John Granville

General Comment

We need more stringent regulation on generative AI companies, not to let them do whatever they please. Many of these companies are taking in vast swathes of data from people without consent or recompense, and the government should be holding them accountable rather than encouraging them. Artists deserve to be paid and recognized for their work, not have it ingested and regurgitated by a corporate model that will still output a fundamentally inferior product.
