Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6215
Comment on FR Doc # 2025-02305

Submitter Information

Name: Porter Wade

General Comment

AI consumes large amounts of energy and water, which I believe would be better served powering and providing for our communities. AI is harmful to those in creative fields, and I do not believe it is in the best interest of the country to incorporate AI in government.
