Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6228
Comment on FR Doc # 2025-02305

Submitter Information

Name: Elizabeth
Schechter
Email: [REDACTED]

General Comment

I am an author, and have been for nearly 20 years. Allowing AI companies to use my work and violate my copyright will rob me of my ability to continue in my chosen career. These companies should not be allowed to profit off the intellectual property of artists and authors, and should be allowed to destroy the environment while doing so.

The AI model proposed by these companies is unsustainable, and a waste of resources and money.
