Document: NSF_FRDOC_0001-DRAFT-6237
Comment on FR Doc # 2025-02305

Submitter Information

Name: Everett Stephens

General Comment

I don't believe that AI models like OpenAI have any place in the future of this country, and actively harms the livelihoods of many Americans through theft, and the encouragement of laying off workers to try and cut costs through the use of an inferior product that isn't popular, which in turn further harms our economy.
