Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6255

Comment on FR Doc # 2025-02305

Submitter Information

Name: Kevin Donahue

General Comment

Under no circumstances should "AI training" be legitimized as fair use. It is theft and copyright infringement.

Allowing AI training to be fair use simply empowers a very few entrenched companies at the expense of literally every artist, musician, author, creator, etc.

DO NOT LEGITIMIZE CORPORATE THEFT. Your duty is to the people of the USA, not corporations!
