Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6305

Comment on FR Doc # 2025-02305

Submitter Information

Name: Matthew Soberman

General Comment

The efforts of all creatives deserve to be protected. Allowing artificial intelligence to effectively steal it and pass it off as its own is theft, plain and simple. If a person did it, it would open them up to plagiarism lawsuits or worse. Why should AI and the folks responsible for it be any different?
