Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6322

Comment on FR Doc # 2025-02305

Submitter Information

Name: Rachael Johnson

General Comment

Do not implement AI. AI should not hold a place in the future of the US. It is a speculative market similar to cryptocurrency and NFTs, with false promises to fool the public.

AI steals from my livelihood as an American citizen and an artist. It profits off of the theft of art and writing created by actual humans who have spent countless hours honing their skill and perfecting their craft.

AI is overhyped and is fleecing the eyes of the American public.
