Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6410
Comment on FR Doc # 2025-02305

Submitter Information

Name: Maxy Doeden
Email: [REDACTED]

General Comment

AI steals from my livelihood as an artist and is INHERENTLY a form of plagiarism as it only generates what it has been taught.

Generative AI does not think, it is a series of statistically likely outcomes from a given set or subset of data.

This is not generating anything that has not existed before.

If you allow AI to be able to be trained on copy written material, you are making a mockery of copyright law over the past century.
