Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6509

Comment on FR Doc # 2025-02305

Submitter Information

Name: Christopher N

General Comment

I think it's ridiculous to allow AI companies to seize the work of others for their own financial gain. This country is about freedom. Freedom to create. Creativity is the backbone of this country and AI companies have none. They need to steal the creative work of others in order to train their models. If their success REQUIRES stealing the work of others, then it sure sounds like they are horrible at what they do.
