Document: NSF_FRDOC_0001-DRAFT-6529

Comment on FR Doc # 2025-02305

Submitter Information

Name: JR Vernham

General Comment

AI training cannot be considered fair use of copyrighted material. It is simply a method of conveying the hard work and intellectual property of artists into a form that others profit from without their consent. This is no more a transformative work than painting your name on someone else's mailbox. This is theft.
