Document: NSF_FRDOC_0001-DRAFT-6530
Comment on FR Doc # 2025-02305

Submitter Information

Name: Caleb Sharp
Address:

General Comment

If open ai wants to use copyright protected material then they should be forced to pay for the copyright just as any other citizen or company would
Because there's no difference between open ai stealing copyrighted art from a small artist or business then Walmart stealing the logo of a ma and pa shop
All is protected or nothing is protected no middle ground
