Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6542
Comment on FR Doc # 2025-02305

Submitter Information

Name: Phillip Wall
Address: United States,

General Comment

It's patently absurd we are giving the AI industry the privilege to steal and ignore copyright laws and take other's ideas without any credit or compensation. We have these protections to help foster the growth of intellectual and artistic culture in our society and this blatant disregard for those laws and protections is un-American. Please, don't open pandoras box for these companies to steal from others in the name of "development".
