Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6689

Comment on FR Doc # 2025-02305

Submitter Information

Name: Ann L

General Comment

AI is not the future of America, or not the future of a great America. It steals profits from people, destroys livelihoods, and creates mental laziness. This would give the green light to stealing endless personal, private data from Americans and would be so harmful. This is bad and should not be allowed.
