Document: NSF_FRDOC_0001-DRAFT-6731
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

As an artist, creator, and maker, working for a company of makers, I can assure you that data scraping is the way that you destroy your country.

If you would like to not destroy the country, then do not let this move forward.

The real winning move is to halt the data scraping and put proper regulations in place.

Otherwise the country is lost.
