Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6906
Comment on FR Doc # 2025-02305

Submitter Information

Name: Ian Chauvin
Address: United States,

General Comment

Do not give ai companies an inch on copyright.

It wouldn't be good for American innovation if an ai company was followed by foreign companies emboldened to steal American copyright and undercut our intellectual property.

This isn't just about art, but code and investment systems even ai itself could be stolen by foreign adversaries if we allow even our own ai companies to use anything copyritten online.
