Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6918
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

AI creations are built on stolen material and if they can't function without that they shouldn't exist. I'm an artist, AI is solely meant to make my life and the life of those like me a lot harder. AI seeks to make us obsolete and prevent us from making a living with skills we have spent countless time honing and perfecting to find "our voice." AI has no voice, it's a simulation built on the voices of others.
