General Comment

This is a very bad idea. This is theft & will void all copyright laws completely. This should not be allowed, if this goes through, every corporation & artist will just move to anywhere else. This will cause a cultural, financial, & brain drain on this nation. They'll move to China, they'll move to Canada, Mexico, Europe, or even god forbid, Britain or any other Commonwealth nations. This needs to be stopped at all costs or else we will have no country left.
