Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-6999
Comment on FR Doc # 2025-02305

Submitter Information

Name: Samantha Bigelow
Address: United States,
Email: [REDACTED]

General Comment

I do not believe generative AI will be beneficial for the US in the long run. It takes so much energy to run, the bubble will eventually pop, and it steals the property of citizens with no plans to compensate them. It's a form of theft that will eventually stagnate as it begins to feed on itself. It will not benefit citizens.

It also runs the risk of major security concerns.
