Document: NSF_FRDOC_0001-DRAFT-7039
Comment on FR Doc # 2025-02305

Submitter Information

Name: Seth Crawford

General Comment

Artificial Intelligence violates all copyright law by stealing the work of real artists directly, that is its sole purpose: To lie, cheat, and steal. It is also used by corporations to avoid paying real people, or in the case of insurance companies to cheat their clients out of all payments for treatments and/or repairs to damage to property.
