## General Comment

I do not believe that AI has a place now, or EVER, a place in the United States!

AI steals from creators who put their heart and soul into their works, especially as to take from ones' livelihood as a hard working American, as well as its only source of profiteering is steal from others.

AI is a sham, an empty promise and an absolute con that is nothing but a waste of resources and another opportunity to rob from the American People!

AI HAS ABSOLUTELY NO PLACE IN THE UNITED STATES, ESPECIALLY IN ITS GOVERNMENT!
