Document: NSF_FRDOC_0001-DRAFT-7246

Comment on FR Doc # 2025-02305

Submitter Information

Name: Quinn Raven

General Comment

I do not believe AI has a place in our future in America, it steals from my and many other's profit and livelihoods as Americans and profits greatly from this theft. We cannot allow more hard working American citizens to suffer because of this use of Ai. Additionally it is overhyped and not well received by the American public.
