Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7279
Comment on FR Doc # 2025-02305

Submitter Information

Name: Zachary Lennon-Simon
[REDACTED]

General Comment

Open AI only exists because it steals the creative work of humans and then pumps out a worse less coherent version of it all while burning through more energy than we can spare. Every science fiction classic warns about losing our shared humanity to technology. Why should AI be allowed to exist when it has been proven to be massively harmful to our planet and our communities?
