Document: NSF_FRDOC_0001-DRAFT-7301

Comment on FR Doc # 2025-02305

Submitter Information

Name: Paulina Pierce

Email: [REDACTED]

General Comment

I do not believe that generative AI holds a place in the future of the US. I do not believe it is fair to individuals to have their likeness, their creation, their copyright taken without their consent and used in generative AI without their input or without compensating the individual. I do not believe the investment in the infrastructure needed for generative AI is worth the infringement on the rights and privacy of the individual ordinary citizen.
