Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7410

Comment on FR Doc # 2025-02305

Submitter Information

Name: Jace Jackson

General Comment

AI has no place in the arts. AI can never be a creative, it can only plagiarize and copy what it's fed by others. There are many things you could use such technology for, things its use would make sense in. This is not one of them.

Keep AI out of the arts.
