## General Comment

Do not allow OpenAI to use copyrighted material to train their AI. It is THEFT. AI has no place in the future of the U.S. It is trained on stolen material, destroys vital environmental resources such as potable water, it is easily manipulated and rarely produces accurate or trustworthy results and takes jobs away from actual human beings. No one with an ounce of sense could possibly support the usage of AI unless they have something to gain from it directly, at great expense to others.
