Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7503

Comment on FR Doc # 2025-02305

Submitter Information

Name: Nicole Bond

Address: United States,

Email: [REDACTED]

General Comment

Generative AI steals from copyrighted material and will utterly destroy copyright law. It is not human and should never be given human rights; rather, we should be boosting human creativity by protecting creators' works in all forms, be it drawn, painted, written, or even voiced. Allowing any AI to steal from human artists, writers, etc. will greatly hinder creativity and the livelihood of creative people everywhere.
