General Comment

I am begging you to not let companies like OpenAI use copyrights material to train their A.I., it is theft! I don't believe A.I. has a place in the future of the U.S.A., I think it is a major threat! It steals jobs, it steals material, it uses so much energy, if anything, A.I. should be outlawed. Again, it steals from the livelihood of Americans and profits off theft. You cannot possibly support that. A.I. is also overhyped and is fleecing the eyes of the American public.
