Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7528

Comment on FR Doc # 2025-02305

Submitter Information

Name: Sevawn Guenther

General Comment

AI poses a risk to the integrity of art, the integrity of the internet, and the integrity and trustworthiness of information itself. I believe heavy restrictions should be put in place on what corporations are allowed to train their AI on. I believe training AI on another's work, and then releasing the output of the AI as if it was your own is equivalent to theft.
