Docket: NSF_FRDOC_0001
Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7579
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

AI steals from my livelihood as an American and profits off of theft. AI is trained off of data that has been collected off the works of people who have not been compensated for their contribution and then seeks to replace those same people. The amount of resources AI uses up is not worth the content it generates and is not worth the number of lives that it will negatively impact.
