Document: NSF_FRDOC_0001-DRAFT-7625
Comment on FR Doc # 2025-02305

Submitter Information

Name: Susquehanna Haser

General Comment

My name is Susquehanna Haser. I am from Pennsylvania. I have struggled to find a normal job and art is one of the only things I am confident with. AI images steal from small artists, including writers, and is putting them out of jobs. It's also making images easier to fake as it is constantly being trained to be better. This can and already has lead to illegal activity. These things should at least be copyrighted.
