Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7672

Comment on FR Doc # 2025-02305

Submitter Information

Name: Michael

Riser **Email:** [REDACTED]

General Comment

AI is a scam technology that does not do what it purports to do and can only function by stealing from the livelihoods of Americans like me. It is theft, pure and simple. AI needs guardrails of all kinds, up to and including protecting the environment from the destruction of resources that it represents, and keeping it away from copyrighted material that it actively uses to steal from American citizens.
