Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7828

Comment on FR Doc # 2025-02305

Submitter Information

Name: Paul Robertson

General Comment

Protect artists and human creators works from being appropriated for the profit of one company. The same wouldn't work in reverse where artists can appropriate the work of OpenAI for their own to do with what they want. That's prohibited by the terms of service. So, if the law is balanced and fair, ie justice is blind, then both artists and OpenAI should have equal standing as it relates to protections for their work. That should be a fundamental value.
