Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7877
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

This request should be unequivocally denied. It'll only lead to generative AI continuing to steal the work of actual artists and people, as well as being overall worse than the products it copies. AI can be used to improve the lives of everyone if used correctly, and that's why it must stay regulated and restricted on what it can and can't do.
