Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479
Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7881
Comment on FR Doc # 2025-02305

Submitter Information

Name: Anonymous Anonymous

General Comment

If citizens have no rights over their intellectual properties or data, then labor has no value, which would be a series of consequences that could easily collapse our entire society. If you want AI to develop properly, then make actual conditions and accommodations for it happening, rather than just doing whatever talking head says would be good.
