Document: NSF_FRDOC_0001-DRAFT-7885
Comment on FR Doc # 2025-02305

Submitter Information

Name: Ted Anderson
Address: United States,
Email: [REDACTED]

General Comment

As a working artist, I am appalled and outraged at this blanket protection from copyright enforcement being offered to the development of so-called "AI." These programs are in no way intelligent and yet are being used to justify the elimination of jobs and opportunities for artists of all types, decimating the livelihoods of actual human creators. I object to this proposal in the strongest possible terms.
