Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7920

Comment on FR Doc # 2025-02305

Submitter Information

Name: Hai Nguyen

General Comment

AI is a dead-end false prophet "technology" based almost entirely on speculation and marketing. It would be to the entire detriment of the United States of America to pursue an AI "Plan" at all, and any private sector AI development should not be encouraged by any government action.
