Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-7925

Comment on FR Doc # 2025-02305

Submitter Information

Name: David Child

General Comment

I do not believe AI holds a place in the future of the US. AI steals from the livelihood of American artists and profits off of theft. Why does AI get to steal and give to large corporations setting them up when the same corporations sue and take down anything that makes the smallest semblance to copyrighted material they own?

AI is overhyped and is fleecing the eyes of the American public.
