Document: NSF_FRDOC_0001-DRAFT-8012
Comment on FR Doc # 2025-02305

Submitter Information

Name: Jennifer Rodriguez
Address: United States,

General Comment

please reconsider giving a company carte blanche to circumvent copyright law. all the material they have utilized without permission would be beholden to it, ai companies should as well. ai cannot exist without the tremendous amount of material that came before it and hopes to replace it, profiting off destroying livelihoods.
