General Comment

AI is art theft. Any training should be done ONLY with permission from and compensation to the copyright holder and/or creator, and if such is not secured Open AI and other AI companies should be sued into oblivion.

This document is approved for public dissemination. The document contains no business-proprietary or confidential information.

Document contents may be reused by the government in developing the AI Action Plan and associated documents without attribution.

But I do not, obviously, give anyone permission to feed this document into a so-called "A.i." database or program.
