Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8115

Comment on FR Doc # 2025-02305

Submitter Information

Name: Joshua Stephens

Email: [REDACTED]

General Comment

I do not believe AI holds a place in the future of the United States. AI steals from my livelihood as an American and profits off of theft of artists, writers, and creative individuals all over the world. AI is overhyped and is fleecing the eyes of the American public. I believe that supporting AI is supporting piracy and theft, and we should make sure there are guardrails against it being used inappropriately.
