Docket: NSF_FRDOC_0001

Recently Posted NSF Rules and Notices.

Comment On: NSF_FRDOC_0001-3479

Request for Information: Development of an Artificial Intelligence Action Plan

Document: NSF_FRDOC_0001-DRAFT-8191

Comment on FR Doc # 2025-02305

Submitter Information

Name: Glenn Fraser

General Comment

This rush for AI only seeks to benefit Big Tech in their aims to eliminate the need for hiring flesh and blood workers, robbing them of the protections they have over their creative properties; the rightful ownership of their own output.

To allow an outside entity and ill actors to freely source content without consent is a moral outrage and is not something that should be pampered by higher government.
